SIR

I Adverting to Government Order No 7947-56/11 99-43-13 dated 11/12th February 1943 sanctioning the continuance of the establishment of 15 vaccinators and one Sub Assistant Surgeon on a pay of Rs 40/- plus Rs 10/- per mensem for the Intensive Vaccination Campaign for a period of one year from 1st November 1942, I have the honour to state that the services of a Sub Assistant Surgeon could not be secured since September 1940, as no candidate is coming forward on this small pay even though the vacancy was advertised twice through the Public Service Commission

As the pay of the post is no attractive for a Sub Assistan Surgeon who has got to do arduous work in the Intensive Vaccination campaign by touring about from village to village, I request that you may be so good as to obtain and convey sanction of Government to the grant of a pay of Rs 75/- + 20 C as is being granted to Third Class Health Officers

I have the honour to be,
Sir,
Your most obedient servant,
Director of Public Health
